Dedication

The Class of 2011 would like to dedicate their yearbook to

Eric Marx

Eric Marx, a 2010 graduate of Millbury High School, tragically lost his life on March 26, 2011. Eric was best known for his radiant, beautiful smile as well as his warming hugs. We can not forget to mention his love for his mother whom he adored more than anyone. When we hear his name not only do we remember his smile, hugs, and friendly personality, we also remember his passion for cars as well as his blue SRT-4. Whether you were close friends, or had met him once, he left an impression on everyone's life in his own way. Eric lived life to the fullest, without worrying about what others thought of him and that is one of the reasons why he was so special to all of us. Gone but never forgotten and always in our hearts. Rest in peace Eric; you will be loved and missed by everyone <3 -Class of 2011.

A Special Thanks to our Class Officers & Class Advisors!

"PSM on three, 1...2...3..."

Girls Cross Country

Captain: Katie McKenna

This season started as a group of girls and ended as a family. The girls trained hard throughout the season and strived to be the best. The team finished their season 10 and 2 while beating their rivals, Uxbridge, for the second year in a row. They channeled their inner PSM with each hill they killed and each mile they defiled. The ladies were able to end their season in 3rd place for SWCL and 9th in the District. Cross Country doesn't just last for a season, it lasts for a lifetime.

"I remember when I was a Millbury Cross Country runner in 2010 and I was a spacebound rocketship and the finish line was the moon..."

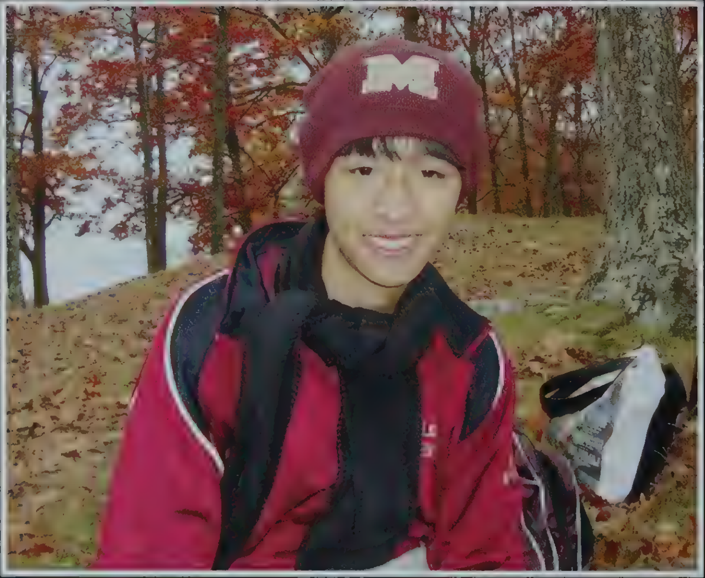
Boys Cross Country



Captain: Jeff Quan

"In the rain and cold,
We stayed strong and bold.
800's on the track,
Don't ever look back.
Trips to Shaw hill,
We couldn't stay still,
To constantly run,
And sweat in the sun.
Two runners went down,
And thus we had frowns,
With four meets to go,
We could not run slow.
So many team dinners,
To make us be winners.
Bus rides were the best,
No way we could rest.
We run all day long,
Nobody can say wrong.
What we had to do,
To wear out our shoes.
Missing practice was not too good,
RJ and Ryan always would.
Coach would wonder where's the group?
I told them they had to poop.
Cooldowns always end our day,
It's too bad we could not stay.
There's nothing for us to brag,
We scaled Ford Mountain with our flag.
Jeff Quan wrote this poem,
To let this be known.
In Cross Country we run,
and we had lots of fun."

Going into this season was like going into the unknown. The school had just hired the third head coach in three years. The team had a rough previous season with a record of less than .500. The players were beginning to slowly lose support from the town and classmates, but this did not stop the determination and goal for a great season. The Woolies shocked not only the townspeople but all of Central Mass by making their first Super Bowl appearance since 2003.

This Woolie varsity football team was different than most. They had extreme determination, will power, belief in themselves, but most importantly, belief in each other.

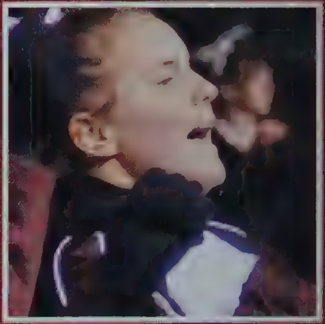
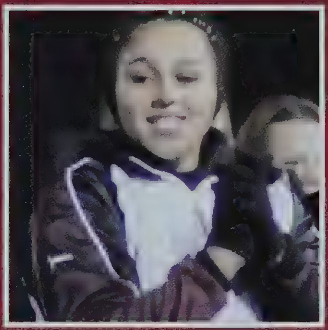
Fall Cheerleading



Captains: Rosy Ward, Courtney Keddy, Jillian Hudgin

The girls varsity cheerleaders had an exciting season this year. The ladies did a wonderful job cheering on the football team and competing in their competitions. Although the girls had some what of a rough start adjusting to a new coach, they were able to work hard and really pulled it together. During competition, the cheerleaders placed 3rd in the SWCL Tournament and 4th in the Regional Tournament.

This year, the cheerleaders had a lot of new additions that will help to build up the team in the coming years. In the end, having a new coach proved to be a great way to get new ideas and resources in the cheering world.



Coach: Mike McKeon
Team: Caitlin Bien, Sam Lussier, Sam Goyette, Sam Meserve, Lauren LaVallee, Taylor Belsito, Alyssa Flaherty, Delaney McWalters, Sarah MacAdam, Ludi Fraga, Shanna Hudgin, Sydney Bloomstein, Meaghan McCausland, Katie MacAdam, Abbie West

Volleyball

Captains: Meaghan McCausland, Katie McAdam, Abbie West

The girls volleyball team had another successful season. Lead by eleven seniors, the girls went 18 and 3 and also won SWCL for the first time in school history. The girls also qualified for districts but unfortunately their post season play ended in the first round after a tough battle with Millis.

Head coach Mike McKeon was assisted by Michelle Desrosiers. Though the team is losing the majority of their players, solid returning underclassmen include Shanna Hudgin, Ludi Fraga, Sarah MacAdam and Delaney McWalters.

The eleven seniors, playing together since junior high, will never forget all the great memories and success of the team.

Captains: Jillian Perkins & Rachel Kelosis

This was one of many memorable seasons for the girls varsity soccer team. We won the SWCL title and made it to the Division 2 District Finals. We had four SWCL All-Stars: our goalie, Meaghan O'Leary, Jill Perkins, Murphy Ronan and our top scorer, Emily Nasuti. From pasta parties to sleepovers to seeing each other everyday, we became a family. The seniors would like to thank Mr. Burnett for a great last season and for his last season as well.

The seniors, Tory Miles, Rachel Kelosis, Jill Perkins, Taylor Fox, and Sabrina Piscitelli will be greatly missed. Best of luck in the coming years to all of the younger girls.

Captains: Erich Khan & Ryan Santoro

This season will always be remembered by the players of the varsity soccer team. This is the year that presented many obstacles for the team but the players managed to go further than any of their predecessors for the past 10 years. They worked very hard and were happy with the outcome of all of their hard work and dedication. Senior captains Erich Khan and Ryan Santoro did a great job leading their team to some hard-fought victories.

Although the season ended in heart-break, the team fought through thick and thin. They accomplished a lot and had fun throughout the season. Best of luck to all of the graduating seniors.

The 2010-2011 season was another success for the Lady Woolies as they won their fifth straight Central Mass. Championship aganist their rivals, Norhtbridge. The Lady Woolies then made their way to their fourth consecutive State Title game at the DCU Center. Even though the outcome was not what the girls had expected or hoped for, they still had an unbelievable season and should be proud of what was sccomplished. The team will be graduating five seniors this year: captain, Julie Frankian, captain, Sydney Bloomstein, Jillian Perkins, TJ Belsito, and Meaghan McCausland. Good luck to the returning players; we wish them all the best in the future!

The boys varsity basketball team had a mediocre 2010-11 season, winning 8 games and losing 11. With captains Joe Fish and Andy Ekstrom leading the way for the Woolies, they pushed the team to 2 key wins over rival Oxford. Coach Dan Spring and assistant coach Kyle Dean did a great job coaching and mentoring the boys."It was a great season, but I will miss the seniors," said Scott Barrows. One memorable game the team had was a one point win in overtime against Grafton. Although the boys were not as successful as last season, the Woolies still played hard and were determined in each and every game! Everyone is looking forward to next year. Good season boys!

The girls indoor track team had an excellent season, going 14-0, thereby winning the SWCL title! There were many great finishes and points gained across the board for the Woolies to go undefeated in the regular season. A lot of records were broken – Tory Miles set a new SWCL record in the 55M dash and recaptured the District Title in the 55M with Audrey Schmidt placing second. The girls 4 X 200 team of Sam Favreau, Robyn Thornburg, Audrey Schmidt, and Tory Miles broke the SWCL record and made it to the All-State Meet. Additionally, in shot put, a new SWCL record was set by Alyssa Flaherty. The Long Jump team of Audrey, Sam, and Tory came in first in the state at the relay meet held at the Reggie Lewis Center.

The new coaching staff of Sully, Blunt, Settle, and Leah added unique training methods that proved to make the difference. Without the team work of everyone involved, it would not have been such a fun and successful season.

The boys indoor track team has lost many valuable athletes in the past few years. However, the team has not failed to accomplish far beyond their goals, with many first place atheletes in a variety of events. With the bar set high, the team never failed to have a strong showing. For a team from a small school that wasn't expected to fare well against such strong opponents, the MHS Boys Indoor Track Team placed 2nd in the SWCL League Championship meet.

With great leadership from the team's captains (left), the team was able to break all expectations. The season was proof that a team doesn't need to be strong in numbers to be strong at heart.

The girls varsity cheerleaders had quite the winter season for competiton. They started out in the fall with a new coach, but when winter came they were ready to step it up and perfect the routine. With the help of the wonderful captains Jill, Courtney, and Rosy, the team was able to focus and work hard. They also did a great job motivating the other girls on the team and everyone ended up having fun this season.

The team got so close throughout the two seasons together that they became a family. Spending so much time together and striving for the same goals really brought the girls together. The underclassmen will really miss the seniors and wish them the best of luck!

Softball

Captains: Meg McCausland, Beth Nietupski, Sam Lussier

The softball team had a strong season this year, ending with a 17-5 record and qualifying for Districts for the third year in a row. Although the girls had some tough losses, the Woolies consistently played very well together. Led by ten seniors, the Woolies put up one of the best records the softball program has seen in years. The veteran team not only qualified for districts, but won in the first round to advance to quarterfinals. Although the girls suffered a tough loss to Grafton, it was a well-played game that the team should be proud of. It will be hard to replace so many valuable players, and they will surely be missed. Great season!

This past baseball season was one to remember for the seniors. The team qualified for the postseason for its third straight year. They came up short in the district quarterfinals, but gave a solid effort.

The team was filled with 8 seniors and they all made great contributions. Captain Kris Doyle had an excellent year on the mound, and was honored to be on the T&G Super Team. Andy Ekstrom led all of SWCL with his batting average, and Pat Bekier was an ace on the mound and made SWCL All-Stars. The team and the coaching staff will miss the seniors next season but everyone is looking forward to another great year.

The girls also broke four school records during this meet. These records include junior Audrey Schmidt taking 2nd place in the Long Jump and breaking a school record from 1986. In addition, sophomore Molly McCausland took 3rd place in the Javlin, breaking a school record set in 1981.

The girls had a great time this season and really worked hard to get to where they did. They would like to thank thank their coaches for a wonderful season!

This was a special season for the Boys Outdoor Track Team. Many athletes secured first place finishes in more than one meet, and the team had a strong SWCL and District showing. The boys really worked hard to get where they did.

The leadership from the five captains (Chris Quigley, Joe Lucier, Brian Humphrey, Cam Graves and Jeff Quan) this year helped guide the team through the loss of many star athletes in the past few years. Even with a small team, Millbury never fails to break expectations, and runs hard until the line.

Thanks to the coaches who pushed the players to go for their goals.

Mackenzie Woll

Mackenzie, we loved you from the moment we saw you. You were the most precious baby girl. We stared at you with such love and amazement. How could we have created something so perfect and beautiful? So, today we say to ourselves where did the time go? How did our little girl go from celebrating her first birthday, her first day of school, the first play date, the very first day of high school, getting her license and many other milestones. It feels as though we blinked and here we sit being the proudest parents in the world watching our baby graduate with honors from high school. You have achieved so much in your past 18 years. We marvel at all your accomplishments. You are truely one of the two best things in our lives. You have become such a beautiful, strong, intelligent, and compassionate young woman with the world in your hands. You are starting a brand new chapter, Mackenzie. Dad and I are behind you 100%. Never for one moment think you can't accomplish your goals. Make sure you fulfill all your dreams and don't forget to enjoy every aspect of your college experience. Thank you for making us so proud to have such a "perfect little lady bug." We love you with every bit of our beings.
Love always & forever, Mom & Dad

Mackenzie,
I remember the day your mother brought you home from the hospital as though it was yesterday. I sat right next to you and thought how could something be so perfect and how could I immediately have so much love for someone I just met, but I did! I have loved you from the second I met you and each day after. I have been there for your every milestone and have watched you grow from a perfect baby into an amazingly incredible woman. I could not be any more proud to call you my NIECE!
Congratulations and we love you,
Kerri, Jeff, Camden, Riley & AJ xoxo
